EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Note that the examiner's amendment, as set forth below, correcting only for a minor informality which is identified for the first time, does not require any extension of time fee, the correction of which had not yet been required by the examiner.

The application has been amended as follows:

IN THE CLAIMS:

Claim 11, last line, -- . -- has been inserted.

2. The following is an examiner's statement of reasons for allowance: a frame formatting method and apparatus are disclosed. The closest prior art, applicant's admitted prior art fig. 5 and DERWENT PUBLICATION No. 1996-404860 disclose similar method and apparatus. However, the applied prior art whether taken singularly or in combination do not teach or fairly suggest the limitations recited in claim 1, lines 3-9 and similar limitations in claims 3, 7, 11 and 16. .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
